Maintain your breast health

For better breast care, ask about
MAGNETOM Espree – Pink

Clinical studies suggest that MRI may help your physician detect breast cancer, particularly in women who have a high-risk for the disease. Now available at our center, MAGNETOM Espree – Pink offers a better breast MRI:

- A more open design for a more comfortable exam
- Excellent image quality for your doctor's increased diagnostic confidence
- A fast exam due to advanced technology

Ask your doctor about
MAGNETOM Espree – Pink.

**Now available at ABC Imaging
Townsville — 555-555-5555**

146 x 266,7 mm (color / b & w)
