**Introducing MAGNETOM Espree - Pink:  
The next generation of breast MRI**

---

Now available at ABC Imaging Center in Townsville — (000) 000-0000

**MAGNETOM Espree - Pink** offers comfortable, fast exams for your patients and excellent images that can help boost your diagnostic confidence.

**Comfort:** An extra-large 70 cm inner diameter can help patients feel more comfortable — especially those who are claustrophobic, anxious about an MRI, or obese.

**Exceptional Images:** The strong 1.5T magnet and advanced applications provide excellent image quality for your diagnostic confidence.

**Speed:** The system's combined imaging and biopsy capabilities make for a fast exam.
