

“Dual Energy”

SIEMENS

Content:

During this hands-on workshop you will learn on a case based demonstration how the evaluation of a Dual Energy dataset is being performed, using *syngo* Dual Energy Viewer on a Siemens MultiModality Workplace. 3-4 datasets will be processed. In addition physical principles of Dual Energy are presented.

Duration: 1,5 h

Dates & Times:

Daily at 9:00 a.m.
