

Why MedSeries4?

Look what MedSeries4® customers are saying...

“Clinical Suite drives the nurse’s charting using plans of care. We believe this really helps the organization to meet its Joint Commission requirements.”

Beth Knight, CNO
Nacogdoches Memorial Hospital

“Siemens brings solutions into the small community hospital with limited resources that otherwise we couldn’t have; so, we can bring high tech into the small community and compete with some of our larger competitors in our surrounding communities.”

Laura Easton, CEO
Caldwell Memorial Hospital

“We are able to maintain it, it stays current, we can afford it, MedSeries4 just simply meets our needs as a small community hospital.”

Karen Bowling, Chief Information Officer
St. Joseph Hospital

“The system is good for our nurses’ morale... I’m not the most computer-savvy person but I can tell you that overall the system has been easy for us to use.”

Beth Knight, CNO
Nacogdoches Memorial Hospital

“Our physicians were very pleased with the ease of use. Their training took about 10 minutes and they found that the clinical information was easy to access.”

“With online order validation, St. Joseph was able to save an hour a day of our charge nurse’s time.”

Karen Bowling, Chief Information Officer
St. Joseph Hospital

“By automating key components of critical processes, we’re seeing significant improvements and lots of hidden benefits.”

Laura Easton, CEO
Caldwell Memorial Hospital

“Our technology has been very well-accepted at our facility throughout our nursing departments. It has freed up time for our nurses to actually provide more patient care. Our nurses recognize that and they really enjoy computerized clinical documentation.”

Jennifer Graham, Director of Clinical and Ancillary Applications
Wise Regional Health System

“Our managers feel that MedSeries4 Manager Connect helps them know what they are doing financially on a day-to-day basis. They don’t have to wait until the end of the month and scramble for explanations. They can answer their own questions and those of their senior managers. When preparing their annual budgets, managers have a wealth of history to fall back on.”

Adrienne Jernigan, Accounting Manager
Bay Area Hospital
