SIEMENS ANNOUNCES CLEARANCE FROM GERMAN FEDERAL CARTEL OFFICE FOR ACQUISITION OF CTI MOLECULAR IMAGING, INC.

HOFFMAN ESTATES, ILL., and KNOXVILLE, TENN., April 13, 2005 — Siemens Medical Solutions USA, Inc., a wholly owned subsidiary of Siemens AG (NYSE:SI), and CTI Molecular Imaging, Inc. (Nasdaq: CTMI) announced today that the German Federal Cartel Office has given its clearance for the previously announced tender offer to acquire all the issued and outstanding shares of CTI Molecular Imaging, Inc. The German Federal Cartel Office has informed Siemens that the request for early termination of the waiting period prescribed by the German Act Against Restraints on Competition has been granted. Siemens Medical Solutions, through its wholly owned subsidiary MI Merger Co., commenced on April 1, 2005, a tender offer for all of the outstanding shares of common stock of CTI Molecular Imaging, Inc. for \$20.50 per share, net to the seller in cash.

The tender offer is being made pursuant to an Agreement and Plan of Merger, dated as of March 18, 2005 among Siemens Medical Solutions USA, Inc., MI Merger Co. and CTI Molecular Imaging, Inc. The tender offer remains open until 12:00 midnight New York City time, on Thursday, April 28, 2005, unless extended. Following completion of the tender offer, any remaining shares of CTI Molecular Imaging, Inc. will be acquired in a merger at the same price.

As previously announced, the board of directors of each company has approved the agreement. The transaction is subject to customary closing conditions, and is expected to close in the second quarter of 2005. The transaction has a value of approximately \$1 billion.
