

# Upcoming Congresses & Workshops 2008

We always would want to give you the opportunity to get in "touch" with the real system, learn more about system handling, and keep you in step with the lat-

est technological advances. You can experience our technology at international congresses, trade shows, and workshops. In the list below you will find information

on various events where we offer you the opportunity to meet AX.

Title	Location	Short Description	Date	Website / Contact
