

## **Siemens Advanced Breast MRI Workshop for Physicians**

### **Course Description:**

This Advanced Breast MRI Workshop for Physicians is an educational opportunity provided by First Hill Diagnostic Imaging in cooperation with Siemens Medical Solutions USA, Inc. This course will provide the clinical Radiologist an opportunity to enhance and improve with didactic and clinical hands-on components specific to Siemens MAGNETOM systems. The comprehensive curriculum emphasizes a clinically practical approach to breast MR imaging which will include clinical indications, imaging protocol technical details, case study review, clinical practice development discussion as well as an introduction to MR guided breast biopsy. Post-processing of the image data as well as computer assisted diagnosis (CAD) will be shown. The classroom instruction and case review is presented by First Hill Diagnostic Imaging physicians. Hands-on sessions with the MR technologist educators using the MAGNETOM Avanto and Harmony systems are also included.

### **Upon completion of this course, participants will be able to:**

- Understand clinical indications for breast MR imaging
- Identify the advantages and the potential limitations of breast MR imaging
- Discuss technical parameters used in advanced clinical imaging of the breast
- Utilize post-processing tools to assist with diagnosis
- Evaluate image data for diagnosis

### **Audience:**

Radiologists who have experience interpreting Breast MR images that are seeking to increase their knowledge in advanced breast imaging techniques.

### **Location:**

First Hill Diagnostic Imaging  
1001 Boylston Avenue  
Seattle, WA 98104  
(206)329-0304

### **Instructors:**

Bruce Porter, MD, FACR  
First Hill Diagnostic Imaging

Michael Coles, RT (R) (MR)  
First Hill Diagnostic Imaging

Helmuth Schultze-Haakh, PhD  
Siemens Medical Solutions, USA

### **Tuition:**

US \$3500 – (Travel & lodging expenses not included.)

### **Course dates:**

April 24 - 27, 2007

June 26 - 28, 2007

October 23 - 26, 2007

9:00am – 5:00 pm Tuesday - Thursday (Classroom & Clinical Hands-on sessions)

### **Accreditation:**

19.25 AMA PRA Category 1 Credits
